MESSAGE FROM OUR VICE PRESIDENT

With just under a year until we open International Pipeline Expo (IPE), we are committed more than ever to meeting the demands of the industry. As we lead into 2020, we're excited to announce a number of improvements to IPE. Many of you took part in a recent exhibitor survey that allowed your opinions to be heard and we want to thank you for the overwhelming response! We have made some changes based on your feedback to better serve the ever-growing needs of our customers. You'll find details of these improvements throughout this update. In the coming weeks we'll be in touch with each of you to follow up if you have any questions.

PARTICIPATING COMPANIES INCLUDE:

NEW **SHOW FEATURES** FOR 2020

BUYERS & SELLERS FORUM

The Buyers and Sellers forum features tailor-made matchmaking opportunities to connect with business partners followed by a networking reception.

Join top-level executives from around the world for speed business-matching.

As a buyer or seller, this is the perfect way to make effective use of your time while meeting with several engaged participants in one place.

INNOVATION THEATRE

Back by popular demand! The IPE team is building sessions over the two days of expo that bring fresh insights and value to the event that represent the pipeline industry as a whole.

Limited speaking opportunities available.

NEW SUPPLIERS

The IPE team is in the final phases to bring in new trusted partners including: decorators, registration services and hospitality venues. Stay tuned for more details.

IPE CONCIERGE

Schedule a meeting with a member of the dmgevents team to provide you with turn-key step-by-step service that will make exhibiting at IPE a hassle-free journey! Whether it's a phone call or a face-to-face meeting, we're always happy to help!
